# at Lache Primary School

## 2015-2016

### Overview of allocated PE and Sports Grant expenditure 2015 - 2016 to enhance the quality and breadth of PE and sports provision.

PE is a part of every child's entitlement to a good education. It provides pupils with the generic skills, knowledge and understanding they need to become physically literate, and at the same time gives most of them their first regular experiences of sport. When taught well, PE enthuses and inspires pupils to participate fully and develop a life-long love of physical activity, sport and exercise.

#### Sport Premium Funding

This funding is ring fenced and can only be spent on improving provision of PE and sport in school. The DfE guidance states that possible uses for the funding may be:

- hiring specialist teachers / coaches to work with Primary teachers when teaching PE.
- paying for professional development opportunities for teachers in PE and sport.
- providing cover to release primary teachers for professional development in PE and sport.
- running sporting competitions, or increasing pupils' participation in the School Games.
- buying quality assured professional development modules or materials for PE and sport.
- providing places for pupils on after school sports clubs and holiday clubs.
